“Smart Parenting,
Smarter Kids”
Workshop

February 9th
6:30pm-8:30pm

Smithton Middle School
3600 W Worley St.
Columbia, MO

David Walsh, Ph.D. has emerged as one of the world's leading authorities on children, teens, parenting, family life, and the impact of technology on children's health and development.

In his book, *Smart Parenting, Smarter Kids*, Dr. Walsh not only describes interesting information about children's brain development, he also includes **Parents Tool Kits**, good starting points for parenting with the brain in mind.

“ My experience is that every parent and educator walks away from one of his workshops with not only new understandings but also effective strategies for guiding children through the various stages of their development and education. ”

- Bart Teal, President and Founder of Blue Ribbon Schools of Excellence Inc.

FREE copy of Dr. Walsh's newest book, "Smart Parenting, Smarter Kids" will be given to the first 200 attendees!
